

Broomball Overtime Rules

Overtime Rules: if a game is tied with 3 or fewer minutes to play in the second period. The buzzer will sound, time will be stopped, and the play will recommence with a center-ice faceoff.

- Teams will play 3 against 3 without a designated goalie.
- In COED, it will be 4 against 4, 2 females and 2 males. The first goal scored, and the game is over (sudden death).
- A player must be across the center ice red line to score a legal goal.
- If a defensive player is in the goal crease and stops the ball, they will be assessed a 2 minute minor penalty. The offending team will play 4 against 3. If the player returns, the play will continue until the next stoppage of play, then return to 3 against 3 (if applicable).
